- ▶ From 15 Psi to 50 KPsi Pressure Range.
- ▶ From 0-100 Deg F to 0-500 Deg F Temperature Range.
- ▶ Chart Drive / Clock from 15 min to 8 Days.

Tech Cal is a chart recorder manufacturer located in Houston, Texas. Their Chart recorders are made with Genuine Pelican Cases[®] and are the toughest, most dependable, and most accurate mechanical recording devices in the world. 3C Metal, for our offshore and onshore operations has chosen this product 100% made in the USA and assembled and calibrated by highly trained technicians. Since 1998 Tech Cal has been ISO 9001 Registered to ensure all its customers the highest degree of quality. Tech Cal also rents Chart Recorders and other measuring devices like Pressure Gauges, Digital Dead Weights and Torque Wrenches. An extensive stock of Graphic Controls[™] chart paper and pens, batteries and other consumables is also available from 3C Supply.
