

3C METAL AND 3C SUPPLY TO EXHIBIT AT NAPEC IN ALGERIA

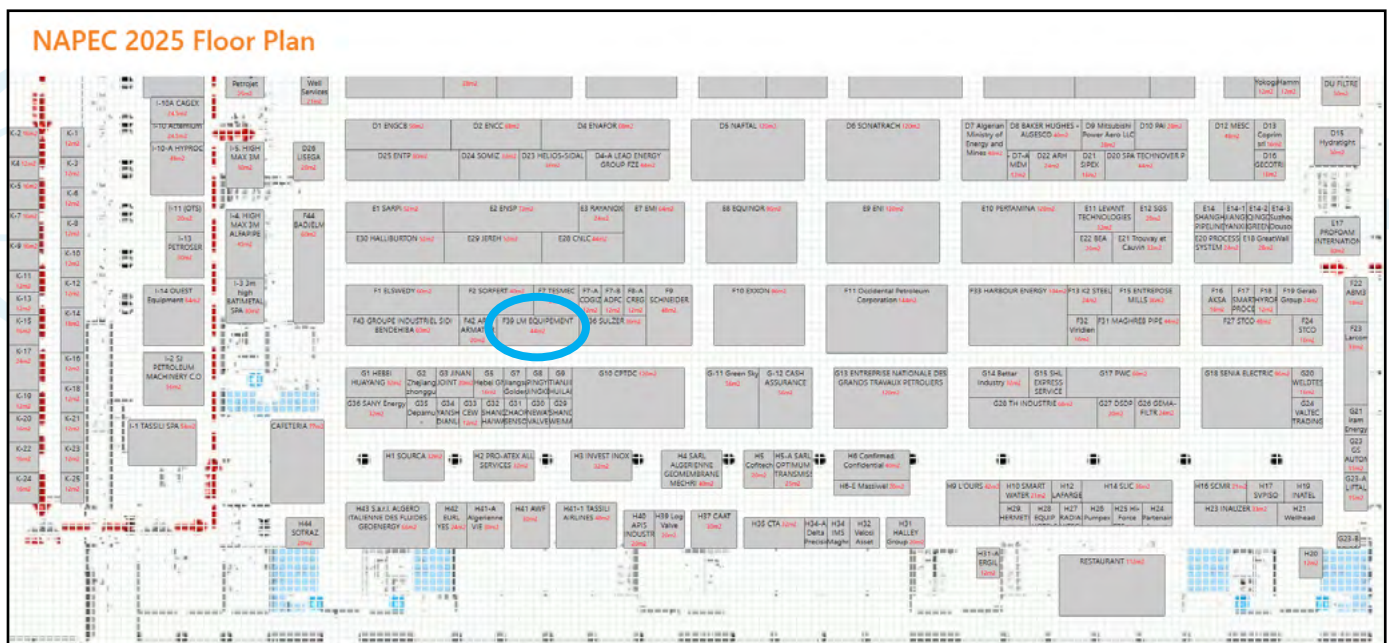

3C Metal and its specialist division for supply chain services, 3C Supply, will exhibit at the North Africa Energy & Hydrogen Exhibition & Conference (NAPEC) held from 6-8 October 2025 at the Oran International Convention Center Mohamed Ben Ahmed, Algeria.

This two-day event serves as a platform for energy and hydrocarbons professionals to connect and discuss future developments in the North Africa and Mediterranean regions.

3C Supply, a dedicated division of 3C Metal Group, specializes in providing comprehensive supply chain solutions and enhancing procurement efficiency for the Group. The exhibition presents a valuable opportunity

for the team to highlight 3C Supply's extensive services.

Attendees can visit the 3C Metal and 3C Supply team at booth F39.
